

End of Year visits

Dear parent/carer

At the end of this year there are a number of end of term events taking place, including some external visits.

The announcement of some of the visits came later than the others and this has caused some confusion, this letter is to clarify the planned visits.

There will be four external visits taking place.

1. Drayton Manor
2. Paintballing (year 9 and 10 only)
3. Sailing at Welton
4. Cinema and bowling

Students are only able to attend one of the external visits which all take place on Thursday 16th July. For students not attending any of the visits there will be some free “fun” activities taking place in school.

Students should only take a letter for the trip they wish to attend, and we would prefer payment to be made via Parent Pay to avoid the risk of students losing money if they are bringing it in.

If students have already booked on a visit but now wish to change their mind the deadline for doing so is **Monday 29th June.**

The final deadline for return of reply slips and funds for all visits is **Friday 3rd of July.**

Any student returning letters or requesting to change their visit should do so at the reception office at break times or lunch times only. No students should go direct to finance.

Please accept my apologies for any confusion that has been caused.

Yours sincerely

Nathan Goodman
Vice Principal
