

26th May 2016

Dear Parent / Carer,

Following the half term holiday at the end of May, Y11 will be following a reduced timetable until their exams are complete. There is no study leave, students are required to attend all sessions in subjects that they still have exams to sit. The timetable is included with this letter and also shows any half term booster sessions that are being run.

Where students do not study a subject they will not be expected to attend the academy for those sessions. There are a number of housekeeping issues for students and parents to be aware of. These are listed below:

- 1. Uniform.**
Students are required to wear their full uniform when they attend the academy for lessons or revision sessions.
- 2. Signing in & out.**
Students MUST sign in or out of the academy using their swipe cards or fobs. If they do not have their cards for any reason they must sign in and out at reception.
- 3. Locker Keys.**
Lockers should be emptied and locker keys should be returned to the finance office. The deposit will then be returned. Any items left in lockers will be disposed of over the summer.
- 4. Outstanding balances.**
Any money owed on ParentPay needs to be cleared before the end of June. Payments can be made on line using the ParentPay website or by bringing money to the finance office.
- 5. Text books.**
Any text books or revision guides that have been supplied by the academy should be returned to the appropriate department once the exam has been sat for that subject.
- 6. Whites Uniforms.**
If any students have Whites uniforms at home then they need to be returned to the academy as soon as possible. It is essential that all Whites are on site to enable preparations for Prize Day to go smoothly.
- 7. Results Day.**
The GCSE Exam results are released on Thursday 25th August. The academy will be open to students from 10am to collect their results. If students are allowing anyone else to collect results on their behalf, then the academy will need to be informed in writing. Any uncollected results will be posted.

Please encourage your son to revise in his own time, as well as attending the scheduled sessions during this busy and stressful period; they will feel much more relaxed if they are well prepared beforehand.

Good luck and best wishes for the future to all of Year 11.

Yours faithfully,

Mark Newton
Assistant Principal
