

22<sup>nd</sup> June 2016

Dear Parents/Carers

**Esafety course – Tuesday, 28<sup>th</sup> June, 2016**

Once again we are hosting a one off taster session for parents/carers focussing on use of information technology generally and esafety specifically and how our students can be better supported to stay safe online.

As part of the free afternoon session, parents/carers will be made aware of how they can make appropriate checks on social media accounts such as Facebook in addition to looking at apps used by the school.

The session runs from 1:30 to 3:15 and can accommodate up to 15 parents/carers.

If you would like to reserve a place, please contact Student Services or email me on [watermanp@hthacademy.org.uk](mailto:watermanp@hthacademy.org.uk)

Please also be aware that the course provides a taste for a longer IT course for parents/carers that can also be accessed free of charge through the Academy in September if there is sufficient interest. At the moment, we have a number of parents/carers who are close to completing a 15 week English accredited course also offered through Family Learning.

Yours Sincerely

Paulette Waterman  
Head of Student Services/CPC
