 **Look and Learn, Skills Demos & Student Challenges** – Delivered by industry professionals through webinars or at your school

 **Learning Bites** – Classroom resources; videos, worksheets and activities matched to the food technology curriculum

 **INSPIRE Taster Sessions** – Get inspired and take students on trips to local businesses

 **Career Presentations** – Ambassadors available to speak in schools about their job and Hospitality career

 **Student Awards** – Celebrating practical achievement, young people can participate in awards to win prizes and industry experiences

 **The National Competition** – Challenges students to cook under pressure and develops practical skills through timed cook-offs at local, regional and National finals

## COMPETITION STAGES

Each stage sets a budget and judging criteria. Chef Mentors are matched with students from local finals to support their competition journey.

 **School Heats (June - December)**  
Hosted, organised and judged by schools

 **Local Finals (November - January)**  
Hosted by local FE colleges, organised by Springboard and judged by industry chefs

 **Regional Finals (February)**  
Hosted by regional FE or local industry venues, organised by Springboard and judged by industry chefs

 **National Final (March 2017)** Hosted by Westminster Kingsway College London, organised by Springboard and judged by renowned industry chefs
