

5th January 2017

Dear Parents/Carers

Yr 10 Parents' Evening – Thursday 12th January 2017.

I am writing to remind you of the Yr 10 Parents' Evening that will be taking place next Thursday, 12th January, between 4:30pm and 7.00pm in the sports hall on the ground floor of the Academy.

As always, your son/charge will be given a sheet to arrange appointments with his subject teachers. Please ensure that your son makes appointments with all of his subject teachers, as all of his classes are now examination subjects, so it is very important that you are able to work with the academy in supporting your son.

Since your son is now in KS4, you will also have the opportunity to speak to Fiona Arnott, our independent Careers representative, and to some providers of post-16 education such as Wyke and Wilberforce Colleges, so that both you and your son will be able to start planning and working towards further education on leaving Trinity House.

Please try to make every effort to attend as the evening will provide you with the opportunity to get up to date information about attainment and progress of your son/charge towards meeting his predicted grades. It would also be appreciated if the attached reply slip could be returned to Student Services.

Access to the Academy will be via the main entrance on Charlotte Street Mews. There is limited parking on Charlotte Street Mews, and we ask that you do not park across the parking spaces in front of the main entrance, or the gates to the playground, as both of these areas need to be accessible at all times. We would recommend parking in the George Street multi-storey car park opposite the academy is open until 7.00pm.

As always, please do not hesitate to contact me with any further queries relating to either Parents' Evening or any other issues. My email is watermanp@hthacademy.org.uk

Yours Sincerely

Paulette Waterman
(Head of Student Services)

I/we have received the invitation to Parents Evening on Thursday 12th January 2017, and will be/will not be attending.

Parent/Carer of _____
