

Media Day

- **Filming and Editing GCSE Media practical production controlled assessment**
- **Filming and editing an adaptation of a poem from the anthology**

Learn more about **filming** and **editing**. Discover the secrets of the **poetry** and attempt to construct your own **poetry video** in groups. Create your own **media production** for the controlled assessment in costumes and in teams. GCSE Media Studies students have been chosen to complete the production. All other students will work on the poetry project.

There will be a screening of the finished productions during p6 in the Theatre.
