

Hull Trinity House Academy

Academy Development Priorities 2016-17

Leadership and Management

Improve progress across the academy through:

- A continued focus on the progress and leadership in the core subjects of English, Maths and Science.
- Synchronise Exam Boards for consistency across Trust.
- Introduction of new Ragging system across academy.
- Leading strategic roll out of new GCSE courses and changes to KS3 Curriculum.
- Using Arts Mark to drive a Creative Curriculum.
- Acquiring status as a Maritime Education Centre

Personal Development, Behaviour & Welfare

Improve progress across the academy through:

- Continuing to improve Attendance & reduce PAs.
- Improve Behaviour through Consequences system.
- Developing a culture of Achievement and Aspiration.
- Pilot a new Curriculum Enrichment week.
- Use City of Culture to enrich the Curriculum and enhance extra curricular opportunities.
- Embedding the new House System across academy.
- Developing and embedding Careers offer & Status.

Teaching, Learning and Assessment

Improve progress across the academy through:

- Delivering intervention for Year 11 across full year.
- Focusing intervention on Core and Basics Grade 5
- Continuing to further develop strategies to improve the progress of Disadvantaged students.
- Improving the quality and consistency of teaching.
- Developing the quality and accuracy of assessment.
- Securing accuracy and consistency of marking.

Outcomes for Pupils

Improve progress across the academy through:

- Focusing support on underachieving subject areas.
- Implementing an early intervention programme starting from Year 7.
- Establishing weekly RAGs for English & Maths in Yr 11 .
- Updating academy wide assessment procedures to synchronise with Trust wide assessment policy.
- Refining the reporting system to give clarity to parents
